

# TEENAGE MUTANT NINJA TURTLES TOURNAMENT FIGHTERS™

## THE MOST SEVERE PUNISHMENT YOU WILL EVER RECEIVE

Trash the surfboard and heave the 'za. It's a whole new breed of Turtles who are butting heads with the greatest street fighters on the planet. War, Armaggon, Chrome Dome, Rat King, Karai, Wingnut and Aska are the toughest mutant warriors to ever bury their fists into someone's face. And they'll make an impact on your life you won't ever forget.

## ON THESE STREETS YOU'RE JUST A PIECE OF MEAT

The graphics and sound effects take asphalt warfare to the edge of 16-bit technology with 12 tournaments arenas 8 levels of difficulty, 4 combat modes (World Tournament, Story, 1 on 1 and Spectator). There are also adjustable speed modes for faster fighting. And secret enemies who'll chew you up like a stick of beef jerky.

## BIGGER, BADDER, BETTER WAYS TO BEAT YOUR ENEMY.

Undoubtedly you've mastered many street fighting techniques. But until you've confronted the new Ultimate Attack Move, you might as well have been fighting your little sister. Also on the rumbling repertoire are quick kicks, sombersault throws, over the shoulder back drops, electric pile drivers, spinning upper cuts, head butts, power slams, two fist zoom punches, bite attacks, shock waves, elbow smashes ... you get the idea (we don't have to pound it into your head)

For 1 or 2 Street Hardened Warriors.
